

Grow Great & Giant

Known for its longevity, huge size, survival during the drought season and serving a lot of benefits to other living things, the baobab tree presents a unique creature that has a lot of lessons for us and these has Israelmore Ayivor distilled for our consumption. The authors choice of relevant quotes, personal experiences and anecdotes from all over the world make the book a well refined action guide needed for peak performance. GROW GREAT & GIANT, is more a reminder of what God created you to be and a careful read through will help unleash the greatness in you. I cant wait to see you live to you fullest potential. Divine K.
