

## How To Make Birdies

From setup to sand shots, Gollehons concept is NOT an extreme makeover. In fact, he deplors this tactic. Remember, the changes youll make are simple, yet very effective. Chances are, youre only a few steps away from playing championship golf! Youve never read a golf instruction book like this one before. Gollehons writing style is refreshing, concise, and thoroughly entertaining. The author is a club designer and manufacturer who has made a remarkable study of golf instruction, from todays teaching pros to yesterdays masters of the game. The comparisons will surprise you. Solid advice from some of golfs greatest players will amaze you with its simplicity and results! A unique chapter written primarily for seniors and injury-plagued golfers will help these players bring out the best in their games through subtle adjustments, simple changes, and new strategies to manage the courses.
