

I Look Like Me: A Celebration of Self-Love

Paula was adopted as an infant. She was chosen and therefore she was special. For the most part she had what seemed to be an idyllic life. On the surface she appeared to be happy, but on the inside she did not feel like she was good enough. She had been abandoned at birth. Every child experiences a time in their life when they feel like they are not good enough. For some, the feeling is temporary, but for others, that feeling becomes a belief, affecting all aspects of life. I Look Like Me is an inspirational story of transformation. Join Paula as she shares her journey, full of twists and turns, from low self-esteem/self-worth, through the process of discovery, to eventually finding self-love.
