

Surge (Yaoi)

The gorgeous surfer Shawn needs to pass marine biology or else hell flunk out of college. Luckily for him, the cute nerd Alan is dying to learn how to surf. The two are brought into each others worlds and romantic sparks fly. It seems like a dream for Alan until Shawns former boyfriend Clay gives him a harsh reality check. Clay warns that Shawn is just using Alan and will drop him the second he passes his test. He also hints about Shawns dark side, which may have something to do with the injury that made Clay have to stop surfing. Can such a mismatched couple really be happy? Or is Alan just diving into trouble?
