

STOP! Dont get Married YET!

Unless your intention is to get a divorce - and thats an option for you you must read this guide to must have qualities before getting married. This book also deals with what you need if youre already married and are considering divorce (or have previously been divorced), and is a straight forward and to the point, conversation that will help to prepare you for your next meaningful relationship. Most of us have good intentions when we choose to marry, but the reality is that 60% of marriages in the U.S. end in divorce. The fact is, bad things can happen to good people; even in the best of situations. Whos to say that your relationship wont be that statistic? Perhaps this thought has crossed your mind. Im here to share my solution with you; a little street smarts, if you will. After one too many heartbreaks, I simply got to the point where Id had it! As a result, I became determined to find a solution to this epidemic of failed relationships in our world. If youre reading this, chances are youve been curious about this yourself. Id like to share my intuition, insight, formal education, and wisdom with you; that is, if youll allow me the pleasure. Its possible you dont know, about what you dont know, humans, our mind, and how it all ties together in relationships Im not saying this is going to be easy, but please trust me in that it WORKS, and youll be immensely proud of yourself after all is said and done!
