

## A Bard Without a Star

Gwydion ap Don is a talented harpist, and a known rogue. His uncle Math sees something more: a young man with the magical talent to succeed him as Lord Gwynedd. But to learn magic, Gwydion will also have to learn self-control, duty, honor, and the martial arts. Hes not sure which will be the hardest. And when his training in magic begins in earnest, how he sees the whole world will change, as well as how he sees himself. He will have to battle bandits, cattle raiders, and armies in his efforts to learn how to be a leader. But mostly he will have to learn how to control himself, which is the one battle he is not sure he can win. This volume contains the first three eBooks in the Bard Without a Star series: Wizards Heir, The Two Tanists, and The Bardic Academy.
