

Pearls For The Bride: Dear Daughter...

In this unique letter to the bride from her mother, this book offers anecdotes, humor, practical tips and biblical insights to marriage. Author Laura Thomas uses her 25 years of marriage to help brides and newlyweds understand marriage and gives advice on everything from money management, understanding men, and keeping marriage alive by never forgetting to continue being on your honeymoon. Taking cues from the Proverbs 31 woman, Mrs. Thomas has made this letter to her daughter a gift to every woman considering marriage, or who is already married. A great gift for brides and brides-to-be.
