

Stitching Things Together

This collection was Highly Commended in the IP Picks 2010 Best Poetry Award. This is fluent, well crafted poetry but it is not always comfortable as Leah Kaminsky takes us on a journey with her father fleeing from Poland to escape the holocaust, then as a doctor struggling to keep her commitment to her patients, and finally to Haifa, raising children under constant danger from rockets and suicide bombers. It is deeply felt poetry, gaining its power from precision and understatement. It is poetry which recalls Carolyn Forché's compelling anthology *Against Forgetting*. - Ron Pretty
