

The Crown of Colnia: The Hero of Colnia

It wasn't long ago that David Smith was pulled through a portal to a nation called Colnia and joined a rebellion to fight dictator Queen Liliana. His good time with his friends in the rebellion ends after a devastating battle, and the Council reveals the truth: David was brought to Colnia to save it. Sent away from the rebellion with three companions, David must retrieve the three gemstones of the Crown of Colnia and the Crown of Colnia to defeat Liliana and save the nation.
