

The Power of Perception: 6 Steps to Behavior Change

Bestselling author and motivational speaker, Hyrum W. Smith delivers his newest self-help eBook *The Power of Perception: 6 Rules of Behavior Change*. Hyrum teaches powerful rules for personal transformation that, if followed, can bring positive life change that breaks habits. Through the rules called *The Reality Model*, Hyrum illustrates the how-to process of understanding why we do what we do. Learning to identify what we internally believe teaches us why we act and react the way we do, positively or negatively. These rules are simple to apply that you will create quick and positive behavior change. *The Power of Perception* is a tool to get your goals and habits aligned for successful life change. Applying the six self-help rules for behavior change, you will discover personal development that will transform your life in the following areas: Personal Career Relationships Spiritual Mental. Get your copy of this Kindle eBook now and make positive change and begin habits of self-help that works.
