

The Truth About Style

The New York Times bestselling style guide from the cohost of What Not to Wear. It's clear why Women's Wear Daily hails Stacy London as the Dr. Phil of fashion. Since 2002, she's transformed hundreds of guests on TLC's hit show What Not to Wear. But London has more than just impeccable taste. She has a gift for seeing the core emotional issues behind a disastrous wardrobe. By sharing her own struggle with self-esteem, London illustrates how style develops confidence. Including invaluable fashion tips, advice, and a revelatory makeover section, The Truth About Style is for London's legion of fans and everyone who longs to enhance and celebrate the body she has.
