

Gibson Falls Paranormal Society : The Haunting of Connelly Station

Its Christmas time in Gibson Falls, and after the last several weeks that she has had, Lyla Hammond is looking forward to relaxing and spending some quality time with her family and friends. But when she finds a box in the attic containing some of her missing mothers things she soon finds herself caught up in another mystery that takes her, and the rest of the GFPS team, to the abandoned train station just outside of town. Seemingly frozen in time, the Connelly Station has sat unattended for many years, and Lyla and the others dont really know what to expect to find what they get there. But when they stumble across an unexpected ghostly resident they discover that he might have a link to her mothers mysterious past. Who is he, what secrets might he unfold, and how did he come to haunt Connelly Station?
