

Prophetic Preaching (Preachers Toolbox)

The first book in Hendrickson's new Preachers Toolbox series brings together a group of today's pastors, who share their understanding of prophetic preaching. The book is divided into two sections, The Calling of Prophetic Preaching and The Craft of Prophetic Preaching, which deliver clear themes and practical takeaways on the art of preaching prophetically. Writing with grace and authority, preachers such as Francis Chan, Mark Buchanan, John Ortberg, Mark Driscoll, Timothy Keller, and Anne Graham Lotz offer Biblical and personal messages on prophetic preaching while addressing pointed questions.
