

Street of Walls Investment Banking Technical Guide (Street of Walls Guide Book 1)

Built by REAL life investment bankers our technical guide will get you prepared. This guide is 45 pages and covers everything you need to know in order to ace your technical interview questions. This packet was generated by investment bankers who do the hiring. We know what employers want to hear because we are the employers. Our team of bulge bracket investment bankers spent months analyzing every technical question asked in IB interviews including: Valuation Questions and Answers Discounted Cash Flow Analysis Comparable Company Analysis Precedent Transaction Analysis Leveraged Buyout Analysis (LBO) Merger Model Analysis Accounting Questions and Answers Brainteasers Valuation methods are broken down with step by step instructions, real-life excel screen-shots, and every questions imaginable in order to get you prepared. Our team of investment bankers (who are currently on campus recruitment teams) made sure this packet contained every technical investment banking interview question possible. Technical questions are part of every investment banking interview, not knowing one questions is enough to ruin your entire interview process. Our staff of investment bankers have analyzed every technical question possible for you to prepare!
