

Annabelle Fahey and the Great Match Race (The Adventures of Annabelle Fahey Book 2)

Annabelle Fahey and the Great Match Race is the second in a series of picaresque historical Young Adult stories about a feisty, adventurous young Texas woman born in 1845 that will eventually trace the arc of her life from a tough, perilous pioneer childhood to international success and celebrity as an adult. In this story, a long-anticipated grudge race between the horses of rival Texan owners takes Annabelle on the ride of her life and forces her to make a decision that will turn her world upside down.
