

Getting Started: Basics in Understanding Your Bible

Getting Started: Basics in Understanding Your Bible equips the new believer with four basic principles that will keep him or her from making common mistakes in understanding the Bible. These four principles are: #1 The Bible Is True #2 People are Saved by Grace Alone, Through Faith Alone, in Jesus Christ Alone #3 Once Saved, Always Saved #4 The Bema Concerns Believers After demonstrating each of these four basic principles, Edmondson shows how they apply to one passage that is often misunderstood. Equipped with these four basic principles, new believers will be able to read and understand the Bible without falling into error that could hinder their walk with the Lord.
