

## Jim

Collects Jim Woodrings non-Frank comics work; stars Jim. Frank is, as everyone knows, Jim Woodrings best-selling cartoon character. Jim, on the other hand, is Woodrings cartoon alter ego, the fictional doppelganger who has for 30 years inhabited Woodrings alternate universe where shifting, phantasmagoric landscapes, abrupt, hallucinatory visual revelations, and unexpected eruptions of uninhibited verbal self-flagellation are commonplace. Jim is a mind-bending collection of all of Woodrings best non-Frank creative work ? comics stories, prose stories, drawings, and paintings, with a new introduction and afterword by the man himself. Abounding in metaphors if you choose to see them and naked self-disclosure if you dont, this volume of comics, prose, and images ? collected here for the first time ? is a bounty of Woodrings inspired artistry.
