

## John Wesley-Evangelist: WORKBOOK Friendly Visitation Evangelism

The Workbook finds Wesley guiding us. His Biblical teaching leads our thinking as it did to those in the Eighteenth-century. You can learn from him. In the Workbook you will see his concern for people needing Jesus Christ. You will explore how to apply his precepts to churches using modern means. Le David Morris believes that Wesley's message is universal. His methods can be copied by any size church. You will discover the passion Wesley developed for salvation through Christ! The Workbook descloses an element of growing churches. You will find the secret is plain as offering the gospel message from a Wesleyan approach to ministry and mission. You will uncover how one basic concept can change a declining church to a growing church. Morris is a retired business consultant, teacher and United Methodist minister from the Memphis Annual Conference.
