You may be picking up the pieces of your life after a natural disaster. You may be heartbroken. You may be a target of prejudice. You may be in terror at the news of a diagnosis. You may be struggling after months without work. Your life may feel empty for some clear reason or no reason at all. Whatever the source, if something continues to be hard for you, then it is hardship. Difficult thoughts and feelings come with difficult times. As a guide for these tough times, *Journey Beyond Hardship* not only provides a road map for the trip it offers concrete tools for making your way.
