

The Terror of Prism Fading (The Prism Series Book 1)

K.E. Stapylton has written the first book in an exciting new fantasy adventure series for children aged 10+. The Terror of Prism Fading follows the story of two children: Rupert Everinham and Rabbit who are pulled unwittingly from this world into the land of Prism - a wonderful, magical world created to be the last bastion of color in a fading universe. There they meet Princess Aden Justice, a strong-willed, courageous, but rather snobbish girl, and her best friend, Jasper Arrowsmith, an easy-going, humorous boy, whose mother just happens to be Prisms High Priestess. Together the four children go on a dangerous and completely unexpected quest to recover the stolen Crystal of Prism and return the color to this important, but fading, land. With the help of all sorts of creatures and characters, Rabbit, Rupert, Aden and Jasper learn that seemingly insurmountable odds can be overcome when they rely on each other, and that help can sometimes come from the most unexpected places...
