

Kira: The Yden Trilogy Prequel (Yden Series Book 4)

Poisoned by an enemy, a young warrior struggles to find an antidote before she succumbs to enslavement. At the same time, she's desperate to save Dorsit, a Leopard Clan wizard whose youth and magic has been stolen by a murderous wizard on a rampage. As Kira's homeland is invaded by bloodthirsty legions, she flees across the country in a bid to reach the Mirrum Mountain nymphs and a legendary cure. Hunted by shadow hounds, an army of Cyclopes, and an evil jinn, will her wits and skill as a warrior be enough to survive?
