

## Pivot Point: Is Jesus Your God or the Son of Your God?

Jesus tells His disciples the gospel of the kingdom of God will be preached in all the world, and then the end will come. In the Book of Revelation, an angel preaches the everlasting gospel to every nation then Babylon falls. What is this everlasting gospel? Why does it seem to be missing from the typical salvation message as it is preached today? Could this explain the movement toward Jesus-Only, Jesus is our God religion? I don't think I'm offering anything new, but rather, something very old, buried under layers of increasingly distorted theology; a scriptural truth that holds the answer to our very reason for existence waiting to be uncovered, waiting to be obeyed, and waiting to usher in the return of Christ.
