

The Shortest Giraffe (A story of adoption and love)

Have you ever felt like you don't belong? The Shortest Giraffe is a fun story about feeling different, and understanding our differences. Colorful illustrations punctuate the story about Gregory, the shortest giraffe. Gregory discovers he is adopted, and learns about the love of his adoptive parents. Your little reader will identify with Gregory if they have ever felt out of place, or disadvantaged in some way. This book is the perfect length for a quick bedtime story, and teaches a powerful lesson for children and adults alike.
