

Law of Attraction: The Tithing Testimony

Law of Attraction: The Tithing Testimony is a diary I created to document how I created a large goal of mine. The goal I wanted was to be a published author, and to become a millionaire. I accomplished both. I documented it because I wanted to know how to create it again and again. I wanted you to see how you could create your big goals. I wanted an instruction Manual. I wanted to know how to do it; I couldn't find that manual in all the books I read. I became frustrated and resorted to God. I then took God up on His challenge. I tested Him. It worked. What I learned was that I was on track all along. You are on track. I just needed to critique my own perspective of my journey; this is all you need. The end result is inevitable; you already know this. What I show you in this book, is that what you are doing now is creating that inevitable end. What you are doing is on track, and right. You and I just had to see how right it is. I became my own guinea pig. I proved to myself how, right on I was. I found I had the answer all along. I had the power all along. I was an author and a millionaire, all along. You are your goals too; just let yourself see. You will be utterly amazed at how awesome you are; just see it. Here is a documented before, during and end for my goal, and for yours. Here I show you that you are on your journey now. You are on the right track. My goal was self creation and financials. Throughout this experience I went from not being able to pay my bills, to (within a year) becoming a millionaire. I also learned to love and respect my self, and my goals. I learned the things I wanted, also wanted me. I learned I was worthy of my goals and my dreams. I learned I was important. I deserved to be me. I learned I am worthy. My story dialogs my experience with tithing, and learning to trust in, Me again. You also are worthy. You will see as you watch me, as I remember throughout my story.
