

Lily of Lamoranth (The Legend of Lamoranth Book 1)

An outcast among the Outcasts. A dangerous journey undertaken. Magic. Fairies. Love. Though Lily awakens to a morning that seems just like any other in her lonely desert life, she is forced to flee with all haste when her mother Rose is accused of the Anathema. As Lily leaves the only home she has ever known, her mother is full of revelations: magic is real, Lamoranth is dangerous, and Lily is not an Outcast, but a fairy destined to live in the Fae Wood. When a deadly enemy strikes, Lily struggles under the weight of iron, grief, and important promises. As her journey to Rose's homeland unfolds, Lily makes surprising friends, learns about the extent of her magic, and begins to uncover a sinister plot that threatens the whole of Lamoranth. A combination of coming-of-age adventure, magical learning, and budding romance, Lily of Lamoranth is a story about the brave-hearted Lily and her journey of discovery. Along with her unexpected companions, the Fae warrior Alder and the ancient vampire Vadam, she will cross the vast expanse of her beautiful but dangerous world, fighting battles both within herself and against the foes who threaten the Fae. Though her mother's secrets come to light at journey's end, Lily knows she can find the strength to meet the challenges that lie ahead. How far would you go to keep your promises to someone who died for you?
