

Live Well, Love Much, Laugh Often: Workbook

Have you ever asked yourself, How am I going to get through this? The struggles we go through can be tumultuous; however, we have a choice as to what crutches we will lean on. We can worship our idols and vices; or, we can turn to God for help. God can be trusted more than money, more than a false sense of power and control, and more than the idols we place in His position. When we find ourselves lost in a whirlpool of chaos and confusion, God can make sense of our lives. He created each one of us for a unique purpose. He will abundantly pour His grace upon us if we are willing to receive it. Do you have the courage to confront situations with confidence in knowing that He is always with us shaping and molding us into His image? Fear is not an option. We need only hang on, enjoy the ride, and trust in Him. What will you put your faith and hope in?
