

## Intersection of Lost and Found

Nora is a young wife and mother who learns her life has changed forever when her husband is killed senselessly by a drunk driver. This story follows a series of characters including Nora's best friend, Sam's long lost fraternity brother, a surly neighbor and an eccentric aunt who all intertwine as a family and community and learn to come to terms with the loss of Sam. Hear the story of that fateful night from many poignant perspectives and learn the true meaning of being lost, found and the ultimate gift of forgiveness.
