

Daily Affirmations for Love

Dr. Mamiko Odegard offers 365 entries that reflect relationships as an empowering dance rather than a deliberate, linear path. Mamiko does not offer us the seven effective ways to be a good lover. Instead, she notes how each day is uniquely different, but each one ultimately requires that we dance past daily distractions and get back to experiencing the discipline of love, wrapping each day in a positive affirmation that helps us experience love as a verb!
