

Love It, Dont Leave It: 26 Ways to Get What You Want at Work

Love It, Dont Leave It encourages employees to assume responsibility for the way their work lives work. This is not difficult, say authors Beverly Kaye and Sharon Jordan-Evans, who take a witty and practical approach to finding job satisfaction. Presented in an appealing, accessible A to Z format, the book includes strategies for communication, career growth, balancing work with family, and more. Chapters include Ask: And You May Receive, Jerk: Work with One? Passion: Its Not Just a Fruit, and Zenith: Are We There Yet? The same breezy, results-minded style that made the authors Love Em or Lose Em a bestseller makes this follow-up a fun and inspiring read.
