

Love, Liberty, and Christian Conscience (Biblical Discernment for Difficult Issues)

In the second volume in Biblical Discernment for Difficult Issues, a new series from Bob Jones University Seminary, Randy Jaeggli investigates the extent and application of Christian liberty. Jaeggli discusses sins not specifically addressed in Scripture and the effect of love on the believer's choices and actions. He proposes that Christian liberty is not a license to live as you please but the freedom to live as you should.
