

## Loving Yourself Wealthy Vol. 6 The Power of Money

Loving Yourself Wealthy Vol. 6 The Power of Money Beautiful Angels and Lovers, Loving Yourself Wealthy Vol. 6 The Power of Money is the last book in this Loving Yourself Wealthy series. More Love Notes For Your Soul Like the previous Loving Yourself Wealthy books, this last volume is a continuation of Love Notes For Your Soul from the historical Mary Magdalene (Maggie) as conveyed to Joseph, touching on The Principles of Success that can help us live our Dream Lives and truly live Happily Ever After. The Principles of Success and The Law of Attraction Maggie touches on a myriad of Success Principles and ties them in with The Law of Attraction as only she can do. I also, with the help of Maggie, provide a Commentary for each Love Note to help the reader better grasp the meaning of her poetic conveyances. Angels, Angels and More Angels Throughout this Loving Yourself Wealthy book series Maggie has emphasized becoming aware of who walks beside us, who hovers all about us and choose Love over fear every moment of every day. Love Over Fear F.E.A.R. is an acronym for False Evidence Appearing Real. This fear is not the fear that we might feel in a dangerous situation where we would need to take proper action to save ourselves or someone else. The fear Maggie refers to in this series is the fear our minds create about shining our Light, walking our Road to Rome, whether to love or not and, most importantly, whether to Love Ourselves Wealthy or not. I hope you enjoy this series of Power volumes. And I hope you choose to Love Yourself Wealthy each and every day. Allow your Light to shine. I Love you. In Spirit, I AM Joseph
