

## The Paradise On The Hill (Yaoi Manga)

Kijima teaches at an all girls school. While his friends think Kijimas job is pretty sweet, dealing with the daily confessions of adoring students can actually be rather annoying. Luckily, Ono, the new P.E. instructor, has taken the brunt of the girls attention away. The poor guy gets attacked by scheming debutantes on a daily basis! When Ono approaches Kijima for advice on how to deal with the never-ending advances from his students, Kijima finds himself intrigued by the shy, timid teacher. From the author of Seven comes a stirring tale of unrequited love. Will Kijima and Ono be able to find happiness together in their paradise on the hill?
