

The Mark of the Beast

Outside of the Lord Jesus Christ Himself, the Antichrist is the most notable figure in the Bible. This prophetic figure is known as the Beast in Revelation, being pictured by eighteen types throughout the word of God. This book is an expose of the religious system Satan uses to bring in the false church, false Christ, and false government of the last days. In this work, Dr. Ruckman makes an extensive study from the Scriptures of the name, mark, number, letter, religion, race, and physical characteristics of the Antichrist. The purpose in presenting these facts is to call to the readers attention the truth that only one Book is able to prove itself by successfully predicting the future events that take place in history.
