

The Third Mary: 55 Messages for Empowering Truth, Peace & Grace from the Mother of Mary Magdalene

The mother of Mary Magdalene reveals secrets of biblical times and energetic keys to your own empowerment. Ever wondered if there might be ancient knowledge to support you in living your Divine heritage and helping to create a better world? Have you suspected there's more to learn about biblical times and the roles played by women? Have you wished for a skilled, compassionate guide to activate and nurture your spiritual growth to new levels? In *The Third Mary*, Mary Magdalene's mother brings to life her experience of raising an empowered, paradigm-shifting woman during patriarchal biblical times, as well as knowledge from the past, present and future, to help you to embrace your own full empowerment. Through the visions, memories, parables, and advice found in the messages received by experienced channel Roslyn Elena McGrath, you'll be immersed in stories offering concrete examples of core concepts, learn specific practices, witness impactful personal elements of biblical times, and receive energetic keys for unlocking your potential greatness as an integral part of the larger whole. The voice of a spiritual adept working silently behind the scenes for eons to help us achieve our greater good is heard here as never before, sharing her story as both a mother and a spiritual teacher. The Third Mary's visionary yet down-to-earth messages are presented verbatim, bringing forth Mary Magdalene's mother's wisdom, strength and compassion, her Divinity and humanity, in service to your own. Discover how the mother of a ground-breaking woman and spiritual teacher beyond time can help you to more fully live your Divine humanness and offer your best to our planetary evolution.
