

The Power of Evolution: Transforming Your Dreams, Intentions and Goals into Reality

THE POWER OF EVOLUTION: Transforming Your Dreams, Intentions and Goals into Reality. Your workbook is an empowering evolutionary guide to daily realize the life of your highest calling. As we all know these are the transformational times that were predicted by many diverse traditions. For instance, the Hopis of the four corners region of the Southwest call these times the great day of purification, a cleansing of life. All life on earth is now experiencing a transformational evolutionary moment. From increasing the global warming, massive species extinctions, pollution and population explosion, life on earth is daily under stress. Our choice is evolution or extinction. What is your choice? As in Genesis 1 and the original teachings of the Hopis, we are the empowering creators of our reality. Evolution becomes our only choice. So how do we consciously evolve? Our evolution exists at our heart center and the center of our circle of life. In the workbook you will daily, weekly and then in 91 days harmonize your circle of life. Your dreams, intentions and goals become the guiding light of your evolutionary power. You will learn to empower all seven days of creation, to be one in your mind, body and soul. This is your one chance to live the life of your dreams. How connected are you to the dreams at your heart center? Your evolutionary workbook is designed to assist you in being one with your dreams, intentions and goals. You will create daily, weekly and 91 day intentions to realize your dreams. As the creator of your reality you empower all aspects of your life. Your workbook also includes a daily scheduling system to ground your empowering energy of life. Now is the time to be the conscious creator of your reality.
