

Be Not Afraid

Marin spends a lot of time avoiding things. She avoids thinking about her mother's suicide and what she could have done to prevent it. She avoids looking at people directly because she can see their pain as bright, colorful shapes. And she avoids Cassie Jackson, who used her in a sinister ritual months ago, although Marin is not exactly sure why. When Cassie stands up at school, screaming, raking her nails down her cheeks, and pointing a finger at Marin, whispering YOU, Marin's days of avoidance come to an abrupt end. Cassie's older brother believes that Marin holds the secret to Cassie's illness. So they team up to solve the mystery of what Cassie has unleashed. But as they look deeper into the darkness, can Marin trust what she sees? Cecilia Galante, author of *The Patron Saint of Butterflies*, presents a chilling story with horror-movie thrills and nail-biting suspense. Perfect for fans of *American Horror Story*, *Paranormal Activity*, and *The Exorcist*, and readers who love to feel goose bumps. Praise for *Be Not Afraid*: Galante crafts a chilling atmosphere in this slowly simmering horror story. --Publishers Weekly Recommended for fans of the author and Katherine Howes Conversion and Danielle Vegas *The Merciless*. --SLJ Well-executed and decorated with some top-notch horror elements; readers who don't love this sort of suspense will find refuge in the romantic subplot. . . . A quick, freaky read. --Kirkus Reviews From the Hardcover edition.
