

Memories to Treasure

Memories To Treasure is a sweet novel about a teenage girl and how she lives her typical life. Angela is a 13-year-old girl telling her stories about being a simple teenager. She has many tales to tell about dealing with school, having a best-friend, her life with family and there's one more thing BOYS. Through Angela's very first diary she writes about her simple but interesting life. This can only add more depth to the story of Angela's life. Reading through the eyes of a teenager brings character and intrigue to the stories and memories that anyone can relate to.
