

## The Keeper Chronicles - Beginnings: Part I

Danielle Grayson, Dani, as friends and family know her, is no average 17 year old. But what is average in a world overrun with vampires, faeries, werewolves, wizards, trolls and more? Dani has a secret past soon to be revealed as she explores ways to fight the coming submission of the world to vampire rule. When we first meet Dani, she is prone to disturbing dreams of her demise. With a humorously sarcastic attitude, Dani shakes off her dreams to deal with the daily grind of high school only to find her dreams coming true. Her allies in the adventure will come from unlikely sources, as she discovers powers that catapult her into the center of a fight to save all that is human and all that isn't.
