The three keys to playing the golf you know you are capable of. Their are lots of things out that say they will help your game but it comes down to playing good golf is about helping yourself. I came to will playing horrible and went from 93 to 72 in less than 6 months with a win at the Sacramento County Senior Amateur championship. John Wilson I was shooting 75 consistently and not making my college team, 3 weeks after starting with will I shot -7 under par for 3 rounds of qualifying and made the New Mexico State golf team, This really works and is like nothing else I have ever seen Zach Adams I was shooting mid 80s and wanted to get into tournaments, with in 8 months I had won 2 Golf channel amateur tour events and came 3rd in the national championships at PGA West. I have gone from a 11.8 to a 2.3 in less than 1 year, this is the teacher of the year coming soon Pete Sprague 140 is not great golf but that was what I was shooting when I started using the methods of Will Robins Golf, with in 12 weeks I had shot 40 and 41 for 9 holes and my lowest 18 was a 93, now I consider myself a golfer because of this program Carey McLean 19 mini tour events and four rounds of 62 in 2011 due to the BE DO HAVE of Will Robins Golf, dont miss out I am sponsored now and on my way to the PGA Tour due to this program Issac Sanchez I retired and wanted to play lots of golf problem was I was terrible at the game shooting 105 plus, with in 12 weeks I hat shoot 81 and now I am an avid golfers playing more than I ever could have imagined, Thanks Will!
