

## Forget Me Not: A Memoir

Having suddenly lost her husband, Alex Lowe, in a tragic mountaineering accident, Jennifer Lowe struggled to hold her family together and deal with her grief. At the same time Alex's best friend, famed climber Conrad Anker, was dealing with the terrible loss as well as feelings of survivors' guilt. Jenni and Conrad gradually, and unexpectedly, found solace in one another. *Forget Me Not* spans continents and tells the story of three people whose lives intertwine to a degree they could never have imagined.
