

Move From Now to Thenand Discover Success In Abundance

This book could change your life and bring you wealth beyond your dreams, As you struggle through life trying to find what appears to be an ever increasingly elusive success, the focus of your attention is narrowed down to what is happening now, because you know the past cant be changed and you have no possible control over the future and whatever it may bring into your life. But the reason you are not finding success is because you are stuck on now. You need to move from now to then, where success can be found in abundance. This book will show you just how to do that and it will change your life forever. Discover this secret today and set yourself on the path to personalachievement and new found success. Not since Think and Grow Rich has there been a book with such a powerful life changing message. - A.J.Young
