

My Husband Is My Maid

Janice C. Parker was a typical businesswoman until her husband's admission changed her life forever. Take a confidential journey with Janice as she shares the intimate details of her secret life with her submissive crossdressing husband.

Confronted with the reality of a submissive husband who came to her and admitted his desire to crossdress Janice took the novel approach of not only indulging him in his submissive fantasy but turning his secret fantasy into her own fantasy. As a result her submissive husband fulfilled every woman's dream by becoming her maid servant. Janice shares the shock of her initial discovery, the details of how she dealt with her husband's fetish desires, and her growth as a Mistress.

Embark on an intimate adventure filled with ideas of how to lead a submissive relationship. Though tentative at first Janice gained confidence as she became the Mistress of her household and you can too. Take a playful sexual romp with Janice and see her fantasy of having her own live-in maid come true. At the same time she uncovers the hidden feminine cravings of her submissive husband and exhibits them for your pleasure and amusement. Her husband's fantasy is totally revealed to you in-depth for your private use. Discover how women can influence a young submissive. Learn how a submissive male thinks and see how you can use that knowledge to take control of his private fantasy life.
