

My Secret Life

My Secret Life is a candid, yet sensitive look into Martha Wade's childhood and the effects of sexual abuse. It offers insights into childhood molestation, and exhibits one woman's courageous journey to face the truth on the way to freedom from guilt and shame. This book proves to be a healing tool for those recovering from this unthinkable crime. It also speaks to those who have not personally experienced sexual abuse. It opens the reader's eyes to better understand how individuals live through this pain, face challenges, and need understanding people with whom to walk through the process of healing. Martha founded the non-profit A Quarter Blue-Educating~Protecting~Empowering in 2007. A QUARTER of children will be left BLUE from the effects of sexual abuse. A Quarter Blue creates safe and appropriate, insightful resources to discuss the tendencies of sexual abuse, without unleashing disturbing details of abuse.
