

My So-Called Phantom Lovelife (Afterlife)

Boyfriend troubles? Try dating a ghost! When fourteen-year-old Skye Thackery meets Owen Wicks, its not exactly love at first sight. Shes getting over a broken heart and hes, well, a ghost. But as Skye gets to know him, she cant help wondering what it would be like to kiss him. Dating a ghost isnt easy, and things get worse when Owen declares hes found a way to stay with Skye for ever. His plans make her uneasy - the shadowy organisation which claims to be able to help him is bad news, and it seems Nico, her ex, is involved too. As Owen prepares to risk everything, Skye begins to wonder if she really has a future with him, or if his desire to be more than just a ghost will cost them everything?
