

## Mystic Forces

THIS POWERFUL BOOK TAKES A POSITIVE LOOK AT THE UNEXPLAINED. The overwhelming evidence points to life after physical death and the survival of the spirit independent of the material body. In the cases researched the people concerned have UNANIMOUSLY stated that they no longer fear death. BORDERLAND This fascinating chapter describes the experiences of people who, during out-of-body-release, found themselves in an idyllic realm which they can only describe as Paradise.
