

## 20 Quick & Easy STEPS To A SUCCESSFUL BUSINESS

Having read many books apportioning knowledge to achieving success, I have found to my profound delight a book unlike many others that comes straight to the point, and is written in laymans language that anyone who has the earnest desire to succeed in whatever field they choose will find in 20 QUICK & EASY STEPS TO A SUCCESSFUL BUSINESS a treasure of which to feel proud, it is knowledge of tremendous value, many costly mistakes made by the author in his early years, which could have been avoided had he known what is in this book, but then this book may well have never come to the fore. It is full of easy to understand advice, rather than take ten page or more to illustrate a point, here one page often suffices, how often has one read a chapter in a book, that by the end the whole point has been lost in a sea of verbs and adverbs, nouns and pronouns! Have a cherished copy of this book which will stay with me and be my constant companion throughout the rest of my business life. ALAN HYDES, B.A. (FIRST CLASS HONOURS) INTERNATIONAL TELEVISION BROADCASTER WITH OWN SERIES LECTURER AT THE LEEDS COLLEGE OF ART & DESIGN
