

Summer Boys #1

From the creators of GOSSIP GIRL comes a fresh, edgy take on teenage romance. Three interconnected stories explore the different stages of love over the course of one summer on the seashore. Its summer. Its hot. And its time to hook up. Cousins Ella, Beth, and Jamie are at their family's beach house, and they're gearing up for the wildest time of their lives. Sassy Ella is majorly crushing on a cute older boy -- who just happens to be her sister's new boyfriend. Meanwhile, practical Beth is surprised when she finds herself falling for her best friend George. And shy, creative Jamie gets her heart broken when her summer love abandons her. Three girls, too many boys, and some seriously stormy romances...it all adds up to one unforgettable summer.
