

NOCTURNAL

PLEASE NOTE: Jessicas story occurs parallel to her mothers in NOCTURNE* By Valda DeDieu. Jessica knows something is amiss. Shes known her whole life. An oddity and out-of-sorts, shes often sensed her world to be a tilted reality. She has problems relating to others and jokes that her parents are pod people. She imagines that she is adopted and often sees the face of the *ideal woman--her mother--in her dreams. Out of the blue, she meets a perfect stranger who seems to have the answers, but now she sees an infinitely more sinister pattern emerging. She doesnt know who to turn to. And--she fears, she--will die. * The story of this woman in NOCTURNE.
