

The Sail of Marriage: How to Save the Sinking Marriage

If you are open to advice, a marital advice audiobook can help you to save your marriage if you listen and learn everything that is being taught. Listening through the book, take to heart what problems you may have and try to correct them, and give advice to your spouse on what they can do to improve the marriage as well. If both of you are willing to follow the advice in the book, you can save a troubled marriage.
