

One Crazy Summer

Fifteen year old self-described geek and loner Emily Wells has just been sentenced to girls summer camp by her parents. They think it will do her good. She thinks its attempted murder. But she quickly meets the oddest cast of teen girls to ever bunk together and sets off to enjoy her last remaining days... before camping life kills her! The food is bad, the weather is hot, and clothing is optional far too many times for a sheltered computer nerd! Will she survive?! Can she actually make friends? Probably not. But it will certainly be One Crazy Summer!
